

TURNER GROUNDSCARE

Customer Support

Following Government advice and the worldwide concerns about Corona Virus, Turner Groundscare can now only offer curb side drop-off and collections* from their retail outlet.

A small dedicated team will also continue to offer emergency/technical support and parts. Please rest assured the health and wellbeing of our staff, along with that of our customers, suppliers and their families is of the utmost importance to us and as such we will be adhering strictly to the Governments Guidelines on social distancing and hygiene.

May we also apologise for the inconvenience this causes but like you, our loyal and dedicated customers, we understand the critical importance of helping to slow down the spread of this dreadful virus.

To access the support team please contact: **01829 742146**

In the meantime, please keep yourself and your family safe and we'll return to normal trading as soon as it's safe to do so.
